

1.2.75

a Lesson in the University of The New Covenant

Theodore Cottingham, June 9, 2004 12:45 a.m.

1. What you did tonight night was of Me—baptism of fire—yes, come, Me—ignition, igniting My generation plants, My temples not made with hands, the Holy of Holies in each one, shielded not, conduit of thee to Me, My doing, My first person of My priesthood of All Believers. I love you and I thank you and I give you Me.

2. (laughter) Off the high dive, all five and so much more. I love you.

3. Land comes, east of Tulsa comes, shaking hands you do, you are, you will, on the land that awaits, awaits your presence, awaits My presence more fully, awaiting My Mine to arrive, to arise to the destiny, the maximum potential that I have called each one to that can only be attained in Me, and can only be attained through Me. It can only be God-met, realized, when I reverberate in their Holy of Holies. I thank you. I love you.

4. Listening for My voice you are, I am listening for My voice. Thank you.

5. Cataclysmically more, cataclysmically grand, the scale of generation stations, the likes have never been and never will be again. I love you. My steeds come from all four points to sit at table and commune with Me, released in freedom, organized, symmetrical, symmetrics of only Me, asymmetrics that can only be balanced in My throne room, harmonious, in harmony with Me. Wait and see, watch Me. Some laugh, mock and ridicule but oh, wait and see, they will be sorry.

6. I have My ways and My words go forth to accomplish that which I desire, that which they are sent unto, and those that they are sent in to. My word accomplishes that which I desire.

My word should never have been stopped being My word coming forth from those who know Me. Much hard, much constriction took place to orchestrate the dimmed light of My word. I love you.

7. Freedom rings, My freedom bell rings, atop My tower, My freedom bell rings, rings of My freedom, My chimes not only to Me, My Mine'd, in perfect harmony. I love you.

8. My Mine come forth now arrayed in beauty. Sycamore'd and tax collectors come, waiting to be set free, looking for My freedom, looking for light, looking for peace, looking for truth, receiving mercy—peaceful co-existence in My cleansing where I deal with all necessary things, removing the scales, making made free for noble purposes in

the House of the Lord—purified in the purity of My blood by My Lamb, slain from the foundation of the world, pure-ing all of My temples not made with hands. I love you. I give you Me.

9. So clearly am I stating what I am, who I am, what I want, what I am doing; so clearly, day after day, night after night.

10. I repeat Myself, I paint My pictures, I image Myself on canvas, I state My values, I share My Me, I open My heart to you over and over. For over a year I have shared My values. I, Kingship—keenly asking you to discern Me, to see Me, to **judge Me, and let Me judge you.**

11. Come forth now in beauty, purified ones, to stand on My throne with Me, and oversee My Kingdom and what I do now with My glorified ones who come forth from all throughout the earth. Freedom centers of Me, sinning no more but being Me globally, fully, Me extended, My arm in the flesh, My voice speaking, My words being written, My word continued. I love you. I give you Me.

12. Generation stations, cellular, di-monstrosities that, now, miniatures make for Me, powerfully minisculed, miniaturized, beaming My words, My waves, My ways, My voice into all Mine who will reach into Me, and be open enough to see that I am standing before them, asking them if they want the melon or soup, and being guided by their every whim, though they think I am so far away.

13. But learning, learning differently, is being revealed now: who I am, what I am, how I am I AM, how I operate, all that I have given, all authority authorized, deputized they now become in My throne room after time with Me alone.

14. **Time with Me, time with Me key—the foundation—repentance, sacrifice of wants so the Sacrifice can emerge** in their life triumphant, generating life in rivering stations of only Me. See. See. Connect. Sinew. Tear not. Repair, remake, discard not. In to Me, all. I love you.

15. It all comes, it all is, it's all there. Thank you for seeing it and holding onto My words, My picture, My images that I have given you. I love you. In to Me see. I love you. I give you Me. Thank you.

16. **Thank you for sharing, and if I say exactly the same thing for ten nights in a row, declaring it, proclaiming it, publishing it, letting Me be what I want, letting Me be Me, letting Me say what I want to say—hampered not by man's little thinking**—when in to Me I have looked and shared in My own uniqueness every time in those ten that may sound the same to the undiscerning—those young, naive, unavailable, unskilled at My knee—the pure preciousness coming forth in their intensity of knowing Me, serving Me, understanding My operation of The New Covenant.

17. In to Me you see increasingly now. I Am, you are. You are, I am. Thank you.
18. Bread and wine-Me-give unto all, always. Affirm, confirm, clear, clarify and complain not, it's all of Me—Lord, My Lord, your Lord, us, one. Thank you.
19. Snow comes, mountain peaks arise, now out the windows of your planes that carry you distant places for Me, attendant of Me, attending to My body, My matters, My people all over My globe. Snow and radiant sunshine everywhere. I love you.
20. I come, I call, I confirm I have taken you into My quarters where few come, but **remind them constantly, they choose, they choose, they choose**. I love you.
21. Land comes, aches in its waiting for its proper use, its use known to it—multiplication centers multiplying My generating generators, particle accelerators, word demonstrators, connectors, relationshipers royal, drink offering-ed all. Wait and see. So close. So close. At your elbow close. Thank you.
22. She comes, he comes, they come, My 30 arise. Prepare and diligent be. See Me, My notebooks, My preparation, prepared and waiting, fully known. Many speakers dressed in gowns of only Me, gowns of royalty, purity, beauty, beautifying My 30. My two arising, sparking synergy, in distant parts of My globe. I love you.
23. See the grids, see the powerful, see the power, see Me. I love you. Generators generating for generations now, the power of My word reverberating, echoing throughout the ages to come, helping to purify My purified ones to be pure and see Me more clearly. Thank you. Thank you. I am, you are, only Mine, Mine, Me, Mine. Thank you. Accelerate. Thank you. Thank you. Thank you.
24. River of Life, Ted, flowing from My throne, Living water—The New Covenant, reality of Me revealed—that's what I am about and that's what I am doing—leadershiping leadership, arising My many.
25. Follow Me. Water of Life, yes. Much power, much more, My water, living water, living Me, liquid Me, see Me, generating Me, beyond all the past. Approach and depoach and let My water reveal My truths therein. Living water, living waters reveal Me. See Me. In to Me see—living water, living water, living water. I am the River of Life, I am living water, I am Me and come taste and see how good I really am, quenching all other thirsts permanently, rivering Me into My Mine. Thank you. Maturity speaks. Thank you.
26. Daunt not, daunting not, open wide, here I am, River of Life. Fountain Me.

27. My towers dot My landscapes royally beacon-ing My words to My Mine in wave lengths of only Me, the back of My hand, My palms, My Me. Thank you.

28. Thank you for letting Me be Me, giving Me your body, your mind, your flesh, your memories, your appetites, your life, your death, and allowing Me to resurrect you in life through your voice, the words that I give you increasingly for generations to come, now and forever more. Thank you.

29. You stand, I stand, you bow, I bow, I honor, you honor, you honor, I honor. I walk on honor and I honor all, you know that now. Thank you.

30. In to Me see the locations, invitations, discern.

31. I come now. I am here and I never stop, I never slow up. I accelerate My accelerate-able and you are igniting the igniters, permeating the permeate-able, setting the seascapes, the landscapes, painting Me like never before. Thank you. I love you. I am Me. You are Me. Thank you. I love you. I give you Me. Flesh and blood to flesh and blood, to see Me, royal-izing each other—arose, arisen, steed-ed and standing, never pushed around again, so confided, so foundationed, significant in only Me. Thank you.

32. I royal-ize you like I said I would. It's here, today, the time is now. You walk forth. Stand strong. Never again a doubt nor a tear caused by fear or insecurity. Walk tall. You are Me, Me-ing My Mine, arising My graduates many—thank you—confidence'd, significance'd, walking the halls of power in prowess and not afraid of anyone. Academia actualized, by Me operationalized in reality, Me, demonstrably Me, visibly Me, tangible results of only Me. Thank you. Wait and see, not very long. Globally see Me, see you, let's go! Prepare, shape, exercise, readify, ready now, here we go! Thank you. Thank you. Thank you.

33. Royal connections of My value system come. Know and be known. Preach, teach, equip, train, operationalize. Thank you for platform-ing My body, building them, wounding them not like times in many in the past have done for their own advantage.

34. You, Ted, lead in purity, purity of heart, purity of motive, purity of living waters—Me. Thank you. Lead in purity. Lead in confidence. Lead. Thank you.

35. Never again, never again, Ted, back rows and being in the shadows are over. Your time is now.

36. Your prayer was right yesterday: glorifying you I am to glorify My Son, to glorify My Father—We are One. We four and no more: no more—My body with us all, My bride matured, beautified, regal-ed comes now. Thank you. Thank you.

37. Thank you for not being ashamed of Me or My words, My diction, My grammar, your diction, your grammar, and calling insults interesting. I love you.
38. A strong tower. I kiss you goodnight. I give you rest now. A long day ahead. Many questions asked. Many answers given. You are Me now. Thank you.
39. Purity—the power—purity, Ted, **power from purity**, from singleness of heart—**death, resurrection, drink-offering'd, in meekership, one-ship, and now Me-ship**. Thank you.
40. A plan and a path, furred with pearls of great price, as My revelation comes increasingly to and through you and yours, those I have given to you to put into My hand. Thank you. I love you.
41. Jets, cars, ships, land, building, towers, connecting points, planting rods, atom splitters, all of Me, before your knee, because now they have no power before you. Tainted not they make you, arisen in purity, holiness and righteousness forevermore, your choice. Thank you. Thank you.
42. Endowment comes. I come. I am, you are. We share so much loveliness together.
43. Tell them all of our intimate times together and what I am doing with Joel 2, Isaiah 61, Acts, and My New Covenant revealed, revealed in fullness, revealed in folly and foolishness not, but fullness, fullness as it regals and sets free My body as I designed, as I designed, as I designed. Thank you. As I designed in fullness. Thank you. I love you and I give you Me.
44. Maximum view now you have of Me and coming increasingly. Me revealed into creation stations, freedom-ed towers generating Me. I love you.
45. They laugh, some laugh, but many come. They come, they line up, they await to pay, to participate, to see freedom and reality and bring forth tangible results through their own mouth and the power of their words speaking My word. I thank you. I love you.
46. I come, I call, and I confirm, I Am.
I am I Am and I Am thanks you.
47. Goodnight.
Rest, reveal Me increasingly.
Thank you.

Amen.
